MEMORANDUM FOR: Director of Central Intelligence

Senator Jackson telephoned and stated that in connection with Senator Stennis' comment on the floor in connection with the issuance of the Subcommittee report he, Jackson, would like to quote from the transcript of 12 March beginning at the marked place on page 565 through the top of the page of 567 as marked. I indicated possibly there might be a question particularly with reference to certain of the cited meetings. It was agreed that I would discuss these with you and let him know.
